

# *Texas Section Society for Range Management*

Dear Potential Exhibitor,

We hope that you will be able to participate in the 2009 Texas Section Society for Range Management (TSSRM) Trade Show associated with our Annual Meeting. The dates for the Annual Meeting are October 7<sup>th</sup> -9<sup>th</sup>, 2009. The meeting will be held in the Holiday Inn Beaumont Plaza in Beaumont, Texas. The theme for the 2009 meeting is "Hills to Bays, the Impacts are Clear". Registration packets for the meeting will be available soon. When we receive your exhibitor registration form we will mail a registration packet to you. Registration forms will also be placed on our Texas Section website by mid to late August.

Exhibit Space is limited to 40 Booths on a first come, first serve basis to those that send in their forms and pay in full. Exhibits will be arranged in the large open lobby of the Hotel under giant American and Texas Flags that hang from the high ceiling. You will be assigned booth space in the order in which your exhibitor registration form arrives.

You may purchase booth space to promote your product or service. Booth space is available for \$275. This includes one table with black skirting, two chairs and electricity. Please let us know if you need electricity or not by checking off the appropriate blank on the exhibitor registration form. TSSRM is a professional and scientific society, which has over 500 members involved with studying, conserving, managing, and sustaining the varied resources of rangelands. Members include ranchers, rangeland managers, scientists, university educators, students, consultants, and conservationists. The meeting is a great opportunity to network with people who manage rangelands. Many attendees are instrumental in technology transfer of range management tools to land operators. If your product or service is new or is on the cutting edge of today's fast moving ranching or natural resource industry, you can't afford to miss the 2009 TSSRM annual meeting. Contacts with members of this society are critical in networking

your products and services to the end use marketplace.

Large or heavy equipment will be allowed on the Holiday Inn Beaumont Plaza Hotel parking lot. The indoor Exhibit area does not open up directly to the parking lot where heavy equipment will be placed. The convention meeting rooms are close to the exit doors that lead to the area that will be reserved for exhibitors who wish to bring heavy equipment. Please see the attached Exhibitor Form for specific details.

We launched a major marketing campaign to advertise our annual meeting to many organizations and agencies across Texas. Our maximum convention attendance is limited to 500.

We have a special section on our TSSRM website that is dedicated to our 2009 annual meeting. Exhibitors will be listed on the website through December 31, 2009.

**[www.rangelands.org/texas](http://www.rangelands.org/texas)**

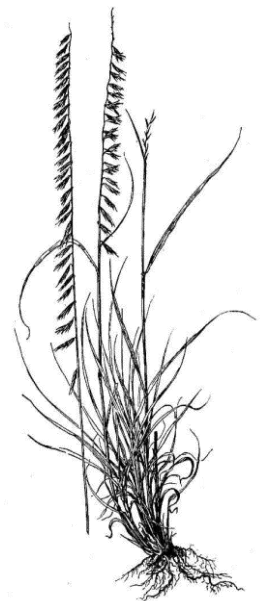

The deadline for exhibitor booth registration and payment is **September 31, 2009**. Payment must be included with the exhibitor form to guarantee your vendor booth.

If you can support TSSRM and assist with its annual meeting, please make your check payable to Texas Section-SRM 2009 and send it to:

Robert Moen  
P.O. Box 43  
Sonora, Texas 76950-0043

We appreciate your consideration

Sincerely,  
Robert Moen  
2009 Planning Committee
